DOCKET NO. 2006-82-T - ORDER NO. 2008-75
FEBRUARY 14, 2008

IN RE: Application of the South Carolina Tariff) ORDER APPROVING
 Bureau, Inc. for a 12% Rate Increase) CHANGES TO TARIFF
) FOR CLARIFICATION

This matter comes before the Public Service Commission of South Carolina (the Commission) on the application, filed December 13, 2007, of the South Carolina Tariff Bureau, Inc. (the Bureau) for changes to the Bureau's tariff. The Bureau requests amendments to its existing tariff on file with the Commission.

Upon receipt of the Bureau's application, the Commission's Docketing Department instructed the Bureau to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the application. The purpose of the Notice of Filing was to inform interested parties of the application of the Bureau and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Bureau complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

The Bureau states that it discovered omissions and typographical errors in its existing tariff and therefore requests certain changes to the tariff to clarify points that may be confusing. The requested tariff revisions by the Bureau are, according to the Bureau,

for clarification purposes and do not affect the rates listed in the tariff. The Bureau delineates in its application the specific changes requested.

The South Carolina Office of Regulatory Staff (ORS) advises by letter filed January 15, 2008, that it has reviewed the Bureau's request and agrees that the request is to clarify language contained in the rules and regulations of the Bureau's existing tariff. ORS states that it does not find it necessary to perform an impact study regarding this filing since there is no compliance and/or consumer related issues presented in the Bureau's application.

We have considered the Bureau's application and ORS' advisement and conclude that the changes proposed by the South Carolina Tariff Bureau are for clarification purposes only and should be approved. Accordingly, the application for revisions to the existing tariff of the South Carolina Tariff Bureau is approved as filed.

This Order shall remain in full force and effect until further Order of the Commission.
